June 4, 2013

We, the Morris Museum Astronomical Society, thank you sincerely for your donation of the observatory dome to Skyland Stargazers for use by MMAS at the Morris Museum in Morristown, New Jersey. Enclosed are photographs of the structure as it was being erected and as it presently stands on the Museum's grounds. We have emailed electronic copies of the photographs so that you can readily share them with anyone who should know about AAI's generosity.

This observatory and the instruments MMAS participants use in it will enrich the experience of many, many people for years to come. The observatory will advertise to every visitor that there is a Morristown organization providing astronomical activities and education, and will give MMAS members a wonderful facility for sharing the sky with each other and with the public.

Regards,

Anthony J. Pisano  
Vice President, Morris Museum Astronomical Society  
President, Skyland Stargazers

Members of the MMAS that help erect the observatory

Sherwood Waggy  
Anthony Pisano  
Krishnadas Kootale  
Paul Blass  
Joseph Molnar  
Allen Malsbury  
Ron Russo  
Robert Caccaro  
David Henderson  
Linda Moore  
(Museum Director)

Handwritten signatures of the MMAS members who helped erect the observatory, arranged in two columns. The left column contains signatures for Sherwood Waggy, Anthony Pisano, Krishnadas Kootale, Paul Blass, Joseph E. Molnar, and Linda Moore. The right column contains signatures for Robert Caccaro and David Henderson.
